Re: FCC ID: 2ABLX-ZIG24DECO

To Whom It May Concern:

The following application is submitted on behalf of our client, Qmotion Incorporated, for evaluation of their model QZR-ZIG2400 for certification under FCC Part 15.247.

The QZR-ZIG2400 is a battery powered wireless remote which transmits and receives RF signals according to the IEEE 802.15.4 standard. The remote activates (controls) wireless window shades (treatments) for residential or commercial use.

The QZR-ZIG2400 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
